Verification of content

I declare that the statements contained herein are true to the best of my knowledge and belief. To the extent permitted by Texas Insurance Code sections 705.003 and 705.004, I declare that I have disclosed all persons required to be disclosed in the "Drivers and household residents" section of this application. I declare that none of the vehicles listed in this application will be used to carry persons or property for compensation or a fee, or for retail or wholesale delivery, including, but not limited to, the pickup, transport, or delivery of magazines, newspapers, mail, or food, except for rideshare use of any such vehicle for which Progressive Rideshare Insurance has been purchased. I understand that this policy may be rescinded and declared void if this application contains any false information or if any information that would alter the Company's exposure is omitted or misrepresented. If the policy is not rescinded and declared void, I agree to pay any surcharges applicable under the Company rules, which are necessitated by corrections to the policy due to my inaccurate statements.

Any person who knowingly presents a false or fraudulent claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

Notice of information practices

I understand that to calculate an accurate price for my insurance, the Company may obtain information from third parties, such as consumer reporting agencies that provide driving, claims and credit histories. The Company may use a credit-based insurance score based on the information contained in the credit history. The Company or its affiliates may obtain new or updated information to calculate my renewal premium or service my insurance. I may access information about me and correct it if inaccurate. In some cases, the law permits the Company to disclose the information it collects without authorization. However, the Company will not share personal information with nonaffiliated companies for their marketing purposes without consent. Complete details are in the Company's Privacy Policy, which will be provided with this insurance policy and upon request.

Acknowledgement and agreement

- If I make my initial payment by electronic funds transfer, check, draft, or other remittance, the coverage afforded under this policy is conditioned on payment to the Company by the financial institution. If the transfer, check, draft, or other remittance is not honored by the financial institution, the Company shall be deemed not to have accepted the payment and this policy shall be void.
- If I make my initial payment by credit card, the coverage afforded under this policy is conditioned on payment to the Company by the card issuer. I understand that if the Company is unable to collect my initial payment from the card issuer, the Company shall be deemed not to have accepted the payment and this policy shall be void. I also understand that if I authorize a credit card transaction for any payment other than the initial payment, this policy will be subject to cancellation for nonpayment of premium if the Company is unable to collect payment from the card issuer. The Company is deemed "unable to collect" in the following instances: (1) when I reach my credit limit on my credit card and the card issuer refuses the charge; (2) when the card issuer cancels or revokes my credit card; or (3) when the card issuer does not pay the Company, for any reason whatsoever, upon the Company's request.
- This insurance and personalized service is available at this price exclusively through this Progressive independent agent. Other Progressive independent agents and affiliated companies selling insurance directly may have different prices or products. The Snapshot® Program is not available from all agents.
- The Company may obtain information, including vehicle history information, from third parties. I understand that this information may affect my policy premium or could result in a policy declination, cancellation, or nonrenewal.

Other charges

If your policy is canceled for any reason, all fees, including the policy fee, will be fully earned by the Company with the remainder of the total premium earned on a daily pro-rata basis.

I agree to pay the installment fees shown on my billing statement that become due during the policy term and each renewal policy term in accordance with the payment plan I have selected. I understand that the amount of these fees may change upon policy renewal or if I change my payment plan. Any change in the amount of installment fees will be reflected on my payment schedule.

Continued

I understand that a returned payment fee of $20.00 will be assessed to the balance due on my policy if any check offered in payment is not honored by my bank or other financial institution. Imposition of such charge shall not deem the Company to have accepted the check unconditionally.

I agree to pay a late fee of $10.00 when the payment for the minimum amount due is not received or postmarked by the premium due date. The amount of this fee may change upon policy renewal.

By signing below, I appoint the President of the Company, with full power of substitution, as my proxy and with authority to vote for me, in my absence, at any membership meeting. The authority granted to the President shall remain in effect for as long as I am a policyholder of the Company, provided that I may revoke the authority granted to the President at any time by providing written notice. I agree to be governed by the provisions of Chapter 912, Texas Insurance Code 2003.

REJECTION OF PERSONAL INJURY PROTECTION COVERAGE

I have been offered Personal Injury Protection Coverage as part of my personal auto policy. I reject the option to purchase Personal Injury Protection Coverage. I understand that Personal Injury Protection Coverage would have provided protection for me and any family member injured while occupying or when struck by a motor vehicle designed for use mainly on public roads or a trailer of any type, or any other person while occupying my covered auto with my permission. I understand that Personal Injury Protection Coverage would have provided coverage for necessary medical and funeral services, loss of income, and reasonable expenses incurred from obtaining replacement services incurred within three years of the date of the accident.

I understand and agree that this rejection of Personal Injury Protection Coverage shall be binding on all persons insured under the policy, and that this election shall also apply to any renewal, reinstatement, substitute, amended, altered, modified, or replacement policy with this company or any affiliated company, unless a named insured submits a written request to add the coverage and pays the additional premium.

REJECTION OF UNINSURED/UNDERINSURED MOTORIST COVERAGE

I have been offered Uninsured/Underinsured Motorist Coverage up to an amount equal to the limits of the liability coverage and I reject the option to purchase any Uninsured/Underinsured Motorist Coverage. I understand that Uninsured/Underinsured Motorist Bodily Injury Coverage would have protected me, any family member, and occupants of a covered auto if any of us sustain bodily injury, including any resulting death, in an accident in which the owner or operator of a motor vehicle who is legally liable does not have insurance (an uninsured motorist) or does not have enough insurance (underinsured motorist). I understand that Uninsured/Underinsured Motorist Property Damage Coverage would have protected me if my vehicle sustained property damage in an accident in which the owner or operator of a motor vehicle who is legally liable does not have insurance (an uninsured motorist) or does not have enough insurance (underinsured motorist).

I understand and agree that this rejection of Uninsured/Underinsured Motorist Coverage shall be binding on all persons insured under the policy, and that this rejection shall also apply to any renewal, reinstatement, substitute, amended, altered, modified, or replacement policy with this company or any affiliated company, unless a Named Insured submits a written request to add the coverage and pays the additional premium.

UNINSURED MOTORIST (UM) COVERAGE – REJECTION DISCLOSURE

This coverage pays for bodily injuries to you, your family members and any other person occupying your covered automobile, should they be caused by the negligence of an uninsured or underinsured motorist. The following are examples in which UM coverage may apply.

1. If the at-fault party has no liability insurance
2. If the at fault party has inadequate liability coverage
3. If injuries result from a hit-and-run vehicle

Uninsured motorist pays for Medical Expenses and lost wages (after your PIP coverage is exhausted) that you and your passenger(s) may incur. This coverage also includes payment for pain and suffering if you have a permanent injury or death.

Uninsured motorist insurance comes in stackable and no stackable coverage. Companies must offer stackable coverage, but may or may not offer a non-stackable option.

The above information is an example of the coverage outline. Policy language prevails in all claims.

I, Valeria Carbajal Garcia have chosen to REJECT this coverage against my agent's advice and understand the consequences of not carrying this coverage. I hold my agent harmless for any claims resulting from not carrying this coverage.
